

The Rotary Club of Calgary West 2020 Fund Raising Project

“Life is a bowl of cherries”

The Rotary Club of Calgary West is raising funds to support
I Can for Kids by selling cherries.

The cherries are from the southern Okanagan Valley of British Columbia. The type of cherry which we offer is the much sought after Lapins and are tree-ripened.

The cherries will be sold in 20-pound boxes at \$90 per box, Twenty pounds of cherries could easily be shared amongst families, friends, neighbours, relatives, co-workers or employees.

New alternatives!

\$50 for 10lb

\$25 for 5lb

Enjoy them fresh, or freeze them for later!

**** Free delivery within Calgary on orders of two or more boxes for each address****

Thank you for your support, and please forward to anyone who you think would be interested.

I Can for Kids supports children and youth impacted by hunger over the summer break. By working closely with their frontline agency partners and other local experts, they have developed a unique understanding of local kids’ evolving needs and a unique approach to meeting those needs. They are thoughtful in their approach, committed to quality, and focused on giving thousands of kids in Calgary better access to the food they need with a greater sense of dignity and belonging. Their ‘CAN-do’ attitude is part

of who they are, as is their passion to help ensure local kids are fed, stay healthy, and have the opportunity to reach their full potential. To learn more, visit www.icanforkids.ca.
